

## **Concealed Weapons Policy**

The Pickerington Public Library is a community gathering place for lifelong learning and has children and adults of various ages in the library building during all service hours.

The Ohio General Assembly has enacted legislation that includes an exemption for public libraries as permissible locations for concealed weapons. Therefore, the Library Board of Trustees adopts the policy that no weapons of any kind, either concealed or in plain view, are permitted on its property or in its building(s), unless the owner of the weapon is a law enforcement officer.

The Pickerington Public Library will post the necessary notification of its status as exempt from Ohio's Concealed Carry legislation, as required by the Ohio Revised Code.
